Remembering Founding Abbot Issan Dorsey

You are warmly invited to join us in commemorating the 20th anniversary of the death of Issan-ji's first Abbot, Rev. Issan Tommy Dorsey, in celebration of what he helped establish here and our ongoing practice of Buddha's Way. There will be *zazen* (seated meditation) as usual at 9:10 a.m., a Dharma talk at 10 o'clock, the memorial ceremony thereafter, and finally a reception with refreshments for all. The event is free-of-charge, but we continue to depend on your support of the temple. Everyone is welcome!
